

Seeking volunteers: Volunteers are an integral part of the longevity and success of Everlasting Hope. We are currently seeking volunteers from all over the state to assist with various events and needs. We are looking for volunteers who would be willing to help with fundraising events that we hold. We plan to do events in Fargo, Grand Forks, Jamestown, Bismarck, Dickinson, Williston, and Minot. We would like to compile a call list to utilize when events or needs arise in your city where you reside or surrounding area. Please send your letter of interest to beatndinfertility@gmail.com
